

## **Sparing Policy**

**Unlimited members** have no sparing restrictions.

**Once a week members** are allowed three free sparing events per half season or six free sparing events per full season. Sparing is considered events outside of the league in which they are registered. If this is exceeded, there is a \$25.00 fee for each extra game or contact membership director to upgrade to unlimited membership.

**Half season members** are allowed three free sparing events in the season in which they are registered. If the half season member wishes to extend their season only by a couple of weeks, contact membership director to arrange for \$25.00 per week curling. Upgrade to full season membership is also an option.

**Social members** can spare for a maximum of three events. If this is exceeded, contact membership director to arrange upgrade in membership.

**During club play-downs** spares must be equivalent in caliber to the position being replaced or adjustments made to team roster to preserve fairness.
